TRAVEL TIPS

WHEN TO GO

The USA is a large country and climates and weather vary greatly by season and location.

In spring (March – May) temperatures begin to warm up. It's the perfect time to visit national parks, as waterfalls are flowing and flowers are in bloom. Travel to Washington, D.C. in between March and April to see the famed National Cherry Blossom Festival.

During summer (June – August), northern states enjoy warm days and cooler mornings and nights, while the southern states experience very hot temperatures. This is the perfect time to enjoy the great outdoors.

Temperatures begin to cool down around the country during the autumn months (September – November). Marvel at the beautiful shades of red, yellow and orange as the leaves change in New England. Autumn is a great time to visit as the country celebrates Halloween on 31 October and Thanksgiving on the fourth Thursday of November.

Winter (December – February) is fairly mild in the southern states, while in the northern, north eastern, mid-western states often encounter snow and colder temperatures. Watch holiday parades and admire amazing decorations over the Christmas period.

VISAS & PASSPORTS

All travellers to the USA must carry a passport valid for at least six months beyond the date of departure from Australia and obtain the Electronic System for Travel Authorisation (ESTA) prior to travel, see www.cbp.gov/esta for more details. As visa information can change at any time, we recommend you seek advice regarding passports, visas, and other travel requirements for the countries you intend visiting, from the Australian Government at smarttraveller.gov.au

CURRENCY

The US Dollar (USD) is the official unit of currency in the USA.

TIPPING

Tipping is expected in restaurants, bars and taxis. As a guide expect to pay 15% to 20% of the bill, USD1 per bag for hotel porters and 10% of the tour price for tour guides.

Disneyland Resort Tickets price valid for arrivals 1 Apr – 31 Dec 24. Theme park reservations are limited in number and subject to the availability of applicable park reservation allocations, applicable blackout dates, and theme park capacity; and are not guaranteed for any specific dates or park, no matter the ticket or pass type. Availability can change until a reservation is finalised. A park reservation must be made for each day of entry. If you have a multi-day ticket, you will be required to make a park reservation for each date of your visit. Park reservations for select dates and parks may be made in advance for a period of time, on a rolling basis, as determined by Disney and as set forth on the applicable park reservation availability calendars. A theme park reservation does not guarantee park admission or access to any experience, attraction or offering. Certain attractions, experiences, services and offerings may be modified or unavailable, may be limited in capacity and may be subject to limited availability or even closure. Offerings are not guaranteed. All *Disneyland Resort* multi-day tickets expire 13 days after first use, or 12 January 2025, whichever occurs first. All tickets and options are non-transferable and exclude activities/events separately priced. #When you purchase a *Park Hopper* ticket and an appropriate park reservation you may cross over and switch between parks on the same day beginning at 1pm (subject to availability). After 1pm, guests with *Park Hopper* tickets who have a park reservation for both parks and who have not entered any park yet, may enter either park despite the first park that is designated in their park reservation. A park reservation is not required for the other park after visiting the first park.

Plan Your Visit With My Disney Experience

Before you visit a park, you must first purchase a ticket and make a park reservation for each day you plan to visit. To enter a theme park, each Guest (age 3 and older) is required to have both valid admission and a park reservation, for the same date and same park, for each day of your visit. You must use the same admission for park entry that was used to make the associated theme park reservation. You can book your park reservation by using your *My Disney Experience* account.

Exchange rates used when pricing this brochure are as at 3 October 2023. All prices are subject to availability, subject to change and can be withdrawn or varied without notice. Prices are to be used as a guide only. Accommodation prices are based on the lowest room category in low season. Some prices are based on dynamic rates, which means they will be different from the advertised price if it has been varied by the supplier since being advertised by Viva Holidays. Price changes may occur by reason of matters outside our control which increase the cost of the Product or Service. All prices are the lowest available prices at the time of print and are a guide only. Please check all prices, availability, fees, conditions and information with your travel agent before booking.

If we must change any part of your booking for reasons beyond our control, for example, an Accommodation Supplier overbooks accommodation, or if there is an increase in taxes or Supplier charges, we will notify you. If any such changes result in your holiday costing more or otherwise being materially different from that originally booked, you may cancel the booking and we will refund any monies already paid less any charges levied by Suppliers.
